I have received, read and understand the entire contents of the "LE Aviation Aircraft Renters Manual" Dated October 2018. I have inquired of and gave received clarification to all questions I might have had relating to its contents. I hereby accept all the conditions and requirements set forth in the "Manual".

I understand that in order for LE Aviation to obtain insurance coverage from its provider, LE Aviation is required to get the following from each of its renters/students:

1. **A Signed Aircraft Renter's Agreement**
2. **A Complete Pre-Rental Pilot Operating Handbook Open Book Review Worksheet signed by LE Aviation Certified Flight Instructor**
3. **A Pre-Rental Checkride Form signed by a LE Aviation Certified Flight Instructor**
4. **A Copy of a Driver's License or other picture ID**
5. **A Copy of a current Medical Certificate**
6. **A Copy of a Valid Pilot Certificate**

I agree to comply with all of the above requirements of this "Agreement". I understand that my failure to do so could result in the forfeiture of my insurance coverage and the termination of my rental privileges with LE Aviation.

I further agree that as a condition of this agreement, I will provide LE Aviation with a signed "Credit Card Authorization Form".

This Addendum (“Addendum”) is made pursuant to the LE Aviation Rental Agreement (“Agreement”)

- A. **Damage to Aircraft.** The undersigned pilot agrees to pay for any damage to the aircraft as a result of Pilot’s use of the aircraft. It is the pilot’s sole responsibility to ensure proper treatment and handling of the aircraft rented to the pilot. The pilot will also be responsible for any death, damage, destruction and any liability to any property or persons, and any cost, damages, and losses, including loss of use and attorney fees, arising in connection with use of the aircraft. Non-owned aircraft damage liability insurance coverage with a minimum Hull coverage of \$20,000.00 is required in all aircraft, except the Seminole, Cirrus and Husky, for which a Hull coverage of \$50,000.00 is required for the Seminole and Cirrus and Hull coverage of \$110,000.00 is required for the Husky.

- B. **Hold Harmless.** The pilot hereby agrees to defend, indemnify, and hold harmless LE Aviation and its affiliates and their shareholders, directors, officers, members, managers, employees, agents, representatives, contractors, attorneys, insurers, successors, heirs and assigns from and against any and all liabilities, claims or damages of any kind which results from or are in connection with the pilot’s rental of an aircraft pursuant to the Agreement. Without limiting the generality of any of the foregoing, the pilot also agrees to be responsible for the payment of any damages caused to the pilot, third parties, personal property and the property belonging to third parties, and to the aircraft and/or the equipment while in the pilot’s possession and use.

- C. **Compliance with Regulations.** The pilot hereby agrees to comply with all Federal Aviation Regulations at all times. The pilot further agrees that the aircraft shall only be operated in accordance with all federal, state, and local laws and regulations.

- D. **Law and Venue.** This agreement shall be governed by and construed in accordance with the laws of the state of Utah, without regard to any applicable conflicts or choice of law provisions. This agreement shall not be governed by the applicable Uniform Commercial Code. The exclusive venue for any judicial action or proceeding arising out of or relating to this agreement shall be the state and federal courts of competent jurisdiction located in Salt Lake City, Utah, and the parties hereby consent to the jurisdiction of said courts and waive any objection that venue in any such courts is inconvenient. In any action to enforce any part of this agreement, the prevailing party may collect from the non-prevailing party, in addition to any damages or injunctive relief, any reasonable costs, fees and expenses, including attorneys’ fees.
